OF. N° 04/2024/SMO

Santa Luzia, 01 de fevereiro de 2024

À CTR Santa Luzia Tratamento e Disposição de Resíduos S/A

Pertinência: Solicitação de reavaliação do valor contratual aplicado nesta municipalidade

Venho por meio deste solicitar revisão do valor contratual pactuado entre esta municipalidade e a empresa em comento – contrato n° 18/2024, objeto: prestação de serviços de recepção e destinação final dos resíduos sólidos – Classe II, provenientes da Limpeza Urbana, compreendendo o lixo comercial e lixo público, conforme instrumento contratual e seus anexos.

Considerando a atual situação financeira do município no que tange a diminuição de arrecadação de tributos municipais, estaduais e federais.

Considerando que o ATERRO encontra-se em nosso município.

Considerando que todas as outras prefeituras usam nossas vias de acesso para destinar o seu resíduo sólido no Centro de Tratamento – CTR Santa Luzia, gerando um aumento na manutenção das vias de acesso.

Solicitamos assim a reavaliação/reequilíbrio do valor atual praticado (tonelada).

*Assunto: **Resposta a Solicitação de Reavaliação do
Valor Contratual.***

Prezado Senhor,

Como é cediço, o CTR Santa Luzia é uma empresa especializada na prestação de serviços de recepção e destinação final dos resíduos sólidos (Classe II), que tem contrato ativo com Município de Santa Luzia para destinação final dos resíduos provenientes da coleta domiciliar e da limpeza pública urbana desse município.

Neste contexto, a Contratante através do Ofício nº 04/2024/SMO, datado de 01.02.2024, nos instou a manifestar em relação a **reavaliação do valor atual (tonelada) do valor contratual**, em razão da atual situação financeira do Município no que tange a diminuição de arrecadação de tributos municipais, estaduais e federais.

Importante registrar, que apesar do preço dos insumos de nossa atividade terem subido bastante nos últimos 12 (doze) meses, em respeito a honrosa parceria que mantemos com a Prefeitura Municipal de Santa Luzia - MG, onde recolhemos os impostos devidos pelo CTR Santa Luzia, gerando divisas ao Município, além de promover geração de empregos diretos e indiretos para população local, **concordamos** em conceder um desconto excepcional de R\$ 3,00 (três reais) por tonelada no preço unitário atual de R\$ 92,00 (noventa e dois reais) por tonelada, a partir do mês de **“abril de 2024”**.

Sendo o que por ora temos a expor, subscrevemo-nos, renovando, no mesmo diapasão, nossos protestos da mais alta estima e apreço.

Atenciosamente,

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Orizon Valorização de Resíduos (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
